Docket No. 98-N-1265
Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: The services these specialty pharmacies
provide are not available from commercial manufacturers.
These are valuable products I should have the right
to obtain whenever my doctor and I deem appropriate.
